

# Journey to the Source

## MEXICO 2021

### TEQUILA CALIENTE

Follow us to the source. The source of agave and that special elixir, tequila. This destination is hot, hot, hot! The town of Tequila in Jalisco, Mexico is one of the most colourful and fun we've found.

This tour begins when we pick you up in the airport in vibrant Guadalajara. Meet the locals on a late morning tour of the city highlights, including an authentic street taco lunch. Our home base will be Tequila and the brand new El Tequileño Hotel and Spa. We have an action packed itinerary planned, but there will be plenty of chances to also relax by the pool.

Our focus is tequila: historic El Tequileño, iconic Herradura, Fortaleza and a very interesting cultural programme at Jose Cuervo. Technical tastings, tours and visits with the distillers are the cornerstone of your experience. Meals range from rustic to elegant, all made with fresh local fare and Mexican flare. Chef Sergio will guide you in a hands-on cooking class. Mornings start with rooftop yoga or walking in the fields of blue agave. Plans also include a mini Spanish lesson, time in historic Guachimontón, a margarita making workshop, and instruction on tequila vs mezcal and other traditionally distilled specialties. If you would like to attend the church service in the Catedral Tequila on Sunday morning, you are welcome. It has been the center of life in Tequila for five centuries.

We will wrap up our five night Tequila lovers' dream after breakfast on day six with transfers back to Guadalajara.
